

End-of-Sale and End-of-Life Announcement

Opengear announces the end-of-sale and end-of-life (EoL) dates for its IM4200-G (cellular SKUs only) products. The last day to order the IM4200-G products is November 30th, 2015. The Opengear Technical Support Team will continue to help customers still using the product until November 29th, 2019.

Product life-cycles are influenced by many factors including market demands, new technologies, component availability and resource constraints. In this EoL case Opengear has a replacement product – the IM7200 Infrastructure Manager. The IM7200 offers better performance and a superset of the features of the IM4200 with significant extended features such as 4G LTE cellular support, SFP fiber ports and Gigabit Ethernet. Important information about the product differences is included below as well as key dates.
