

End-of-Sale and End-of-Life Announcement

Opengear announces the end-of-sale and end-of-life (EoL) dates for its KCS6000 family of products. The last day to order the KCS6000 products is April 30th, 2012. The Opengear Technical Support Team will continue to help customers still using the product until April 30th, 2016.

Product life-cycles are influenced by many factors including market demands, new technologies, component availability and resource constraints. In this EoL case Opengear has created a replacement product – the new CM7100 Console Server. This has delivered a number of features that are functional supersets of the KCS600 plus significant extended features such as dual power supplies. Important information about the product differences is included below as well as key dates.
