

End of Support Notice

Product: Opengear PortShare for Windows and Linux

Summary

Opengear announces the end of support for Opengear's PortShare for Windows and Linux

No further releases and fixes will be available for Opengear PortShare. Support for Opengear customers will be limited based on the last available release of 1.2.4 on Windows and 2.0.10u2 on Linux.

The current version of PortShare is available for download on the Opengear FTP.

If you require further assistance, or if you have any further questions regarding this notice, please contact the Opengear Technical Support Team:
